(if applicable)

To open a new account with Corbett Water District you are required to provide a \$120.00 deposit, as well as a copy of your current photo identification along with this application. This deposit is held until the time the customer leaves residence and the account is closed, at which time the deposit will either be applied to the final bill or if the balance has already been paid it will be refunded via check only. **Please note that the bill for water use stays with the meter, therefore the current owner will be responsible for all bills on the meter regardless of the dates charges were incurred.**
